

DEATH SCENE ASSIGNMENT

CREATIVE WRITING

THE ASSIGNMENT

How does a character die? Quick and dramatic like Hedda Gabler? After a five-minute speech like Shakespeare's tragic characters? Off-screen with a brief mention later?

You get to decide. You need to write a 2-3-page story in which a character dies. Keep in mind, the death needs to be something that can occur easily on stage. Limit yourself to three characters. Standard script format. Typed preferred.
